

**X. ADDRESSES OF HERBARIA IN MALESIA**

J.F. VELDKAMP

Rijksherbarium/Hortus Botanicus, POB 9514, 2300 RA Leiden, The Netherlands

As the new *Index Herbariorum Part I: The herbaria of the world*, ed. 8 (1990) will not be available to many readers in the Malesian area, an excerpt of the Institutes presented there plus some not included is given here. I have taken Malesia in a somewhat broader sense than usual and have included the Andamans and Solomons. I have noticed that especially telephone and fax numbers have changed in several instances, so check yours! Please notify me of any errors, omissions, or changes. — J.F. Veldkamp.
