

LEARNED NEWS***Bogor/Leiden/UNESCO course on Plant taxonomy***

Next November the 5-weeks Bogor/Leiden course on Plant taxonomy and ecology (sponsored by UNESCO and the MacArthur Foundation) is due to be organised again in Bogor. SE Asian botanists (from Vietnam, Laos and Cambodia to Papua New Guinea) with a BSc level and knowledge of English, who are interested in taxonomy and flora revisions, are welcome. Further information can be obtained from Dr. Dedy Darnaedi (BO).
