

Erratum to 'The genus *Dicksonia* (Dicksoniaceae-Cyatheales) in western Malesia'

M. Lehnert¹, F.P. Coritico^{2,3}

Published on 1 May 2019

Upon distribution of our publication, the collector of the type specimen of the newly described *Dicksonia celebica* (Lehnert & Coritico 2018), Fabian Brambach (Georg-August University Göttingen, Germany), brought to our attention that the published type locality is incorrect. The correct information is as follows:

Dicksonia celebica Lehnert

Type: *F. Brambach 0944* (holo BO; iso BONN, GOET), Indonesia, Sulawesi Tengah, tree-inventory plot 'Malemo', 7.7 km ENE of Moa following trail up Bulu Malemo, 400 m before peak, S01.765° E120.160°, 2140 m, 18–23 Oct. 2011.
